

Erasmus Mundus Joint Master Degree WACOMA

Scholars/Guest Lecturers Call for Application

2018-2019

Dear Colleague,

The Erasmus+ KA1 Erasmus Mundus Joint Master Degree Programme funds few eminent scientists (from non EU, EFTA or EU candidate countries) to participate in the Erasmus Mundus Joint Master in Water and Coastal Management (WACOMA) Edition 2017-2022 Coordinated by the University of Bologna.

For the academic year 2018-19 we hereby invite non-EU eminent scientists with expertise on (1) “Environmental economics, risk assessment and management” and (2) on “Advanced methodologies for coastal zone assessment and management, practical module” to apply for teaching during the first semester (lessons from September 1st to November 30th 2018)

You are expected to teach 4 to 5 weeks, (total of 48 hours), for the module (1) and 2 weeks (total of 16 hours) for the module (2) in the Master in Water and Coastal Management at the University of Bologna, Campus of Ravenna, Ravenna Italy where the teaching activities are held.

Please find attached an application form for an Erasmus Mundus Scholarship for the year 2018-19

The form below has been designed so that you can copy and paste information from existing CV's and grant applications. **Please, however, fill out the sections about the “Module” and/or “Research” as completely as possible.** The applications will be reviewed by the Universities in the consortium and evaluated for the possible contribution to teaching and research training that you will make.

Please, return the form by email to the address wacoma@unibo.it before June 29th, 2018.

You will receive confirmation that your application has been received. You will be informed about the acceptance of your candidature and funding by the Erasmus Mundus programme as soon as possible, no later than July 16th.

We look forward to the significant contribution that your expertise will make to this new programme.

Best wishes,

Elena Fabbri
WACOMA Coordinator
